MALCOLM BARNECUTTS'S BAPS

**OUR LOVELY POTATOES ARE GROWN BY
R & SA NUTE IN TINTAGEL**

Cornish born and bred, landlord Darren Wills has been leading his friendly, professional team for over 25 years and welcomes everyone looking for delicious local food and a well-stocked bar. Situated in St. Breward, high on Bodmin Moor, the pub has been a favoured resting place for travellers for many years. Dating back to the 11th Century, it originally provided shelter for the monks who built the neighbouring church.

In more recent times, workers from the local granite quarries have gathered here after a day's hard work cutting granite for famous landmarks such as the Eddystone Lighthouse, Tower Bridge and the Diana Memorial Fountain.

The warm, friendly Cornish welcome remains, and visitors will be made to feel at home in the comfortable cosy bars with their roaring log fires and sloping beamed ceilings.
